

RECEIPTS SHOW BIG INCREASE

Tourists Travel on Canadian Roads, Said to Augment Passenger Earnings.

Winnipeg, Aug. 13.—The reports which have been issued by the Canadian Pacific mail train trunk railways indicate that the tourist travel which has been recorded this season has been, up to date, greater than that of any other year. So far, however, it has been the increase in the passenger receipts of the road are said to be augmented by at least from fifteen to twenty per cent. In the early portion of the season it was anticipated that the travel would be somewhat smaller this year, as with a season at least two or three weeks behind that of other years, it was felt that the travel through the summer would be somewhat curtailed. This anticipation has been, however, disproved, and the figures which are already in hand not only show that there has been no falling off, but that there has been one of the most substantial increases in the history of the railways.

All the railways operating in Canada show a similar increase. Every one of the summer routes and all vacation points which could be reached by the Grand Trunk had an unusually large number of tourists, while the Canadian Pacific, Muskoka district, where, perhaps, there was somewhat of a decrease in the number of visitors. The western reports on the C. P. R. particularly show a marked increase, never before of a larger quota of visitors than this season. The difficulty of finding accommodation for the tourists has been the one problem of the hotels, and the extra accommodation which was afforded at Banff, Lake Louise, and other points, was even greater than ever and not always was it that the hotels could be accommodated. Many of the tourists are now traveling outward after a holiday trip in the mountains, but the number that are going westward is equally great, and there is not the slightest diminishing in the number of travelers.

BISHOP RETURNS WITH MUCH FUNDS

Success in Raising Endowment Fund for Irish Diocese in the West.

Winnipeg, Aug. 13.—Right Rev. J. O. Stringer, Bishop of Saskatchewan, returned from his visit to England and Ireland, from which he is returning home an interesting success. Bishop Stringer has been in the country for several months in England, from the first of December to the first of July, and he has engaged most of the time in preaching and delivering public addresses. At first the work was not much encouragement. He attributes this to the fact he was unknown. The English people are generally conservative, but after a time many meetings presented themselves, and he was so greatly encouraged that he was kept busy Sunday and week days, preaching and selling his work.

Interest in West.
A great deal of interest was taken in the Canadian northwest and Canada generally. People had been very interested in his predecessor, Bishop Humpage, whose name is revered throughout England, though they seemed to know him rather as myth than a real personality. His Lordship's reception was also encouraged by the fact that he was an Englishman, especially to raise an episcopal endowment fund for his diocese. At first the interest in the annual meetings and preaching was a great many of the priests and laymen.

FLOUR TAX REMOVED.

Spain Will Give the U. S. as Favorable Treatment of Ore.
Washington, D.C., Aug. 13.—The state department is informed by cable from the American minister in Madrid that the Spanish government has offered the removal of the excessive tax on importations of American flour. Hereafter the rate will be the minimum tariff duty, and no more flour from countries receiving the most favored treatment, and it is said that the result will be a great increase in the export flour trade with Spain as it is believed to be a considerable shortage in the cereal crop in that country this year.

OTTAWA SAVES LIVES.

Of Two Children Who Were in Grave Danger of Drowning.
Ottawa, Aug. 13.—The McClellan Inn, 605 Leger street, single-handed, saved the lives of two children, who were bathing in the Ottawa river. They had sunk out of sight, when Mrs. McClellan, who was sitting at the bar, saw them. She called out to them, and they came to the surface. She caught one by the arm, and the other under the body, and succeeded in bringing them both to shore. It is an exceptionally powerful swimmer.

C. P. R. GIVES \$300,000. For Erection of W.M.C.A. Building at Kenora.

Kenora, Aug. 13.—Announcement was made here today of the first gift by the Canadian Pacific Railway to the Young Men's Christian Association of \$300,000, with which sum an excellent structure will be put up here. The building will have a large number of dormitories, recreation, bath rooms, and possibly a gymnasium. It will be four stories in height and will embody all the features considered valuable in working away from home.

The present grant of \$300,000 is the first to be made to the Association by the Canadian Pacific. The Association has a grant of \$100 a month for current expenses to Kenora. It is anticipated that other large gifts may follow and that the company may aid in erecting buildings at other points where large numbers of their men are employed. Work on the building here will be begun at once and it is expected that a considerable portion of the building will be completed this year.

On Southern Pacific Near End By Resignation of Foreman.

Los Angeles, Cal., Aug. 13.—The boilermakers of the Southern Pacific, who today with the day of the happy ending of a threatened general strike on the Harriman line. A conference today between a committee of boilermakers and Patrick Spurgeon, local superintendent of motive power, it was agreed that all the men be taken back, including the discharged boilermakers and helpers. The conference today followed the resignation yesterday of Foreman Carter of the local shop, whose removal was demanded because of alleged discrimination against union men, and on whose account five hundred men from El Paso, Tex., to the Portland Ore., are out on strike. It is expected that the agreement will be ratified by both sides, and that the men will return to work to-morrow after the district. Carter resigned after the boilermakers gave the company 24 hours to accede to the demands of the men.

Conservative Leader Opens His Political Campaign in Halifax.

Ottawa, Aug. 13.—E. L. Borden, M.P., the Conservative leader, left for Halifax, where he is to open his political campaign. After a day of dressing in the principal centres of the maritime provinces, Mr. Borden will reach Quebec on August 23, and Ontario on September 1.

It is intended to spend about two weeks in Ontario, whence he will jump to British Columbia, speaking in the three prairie provinces on the way back. According to present plans, he will be back in Ottawa on October 28, in time for a short rest before the meeting of parliament. J. O. Bergeron, M.P., accompanies his leader in the tour of the maritime provinces and Quebec.

The Mrs. Eddy Case.

Concord, N.H., Aug. 13.—At the afternoon session of the case against Mrs. Mary Baker Eddy, the Christian Science leader, whose "next friends" are after an accounting of her property, Mr. Chandler said that the incompetency of Mrs. Eddy was established by the evidence which she executed on March 16 by which she transferred all her property to her control. Her incompetency, he added, is further shown by the fact that she executed a will on Oct. 28, in time for a short rest before the meeting of parliament. J. O. Bergeron, M.P., accompanies his leader in the tour of the maritime provinces and Quebec.

STRATHCONA NEWS

WILL INCREASE WATER SUPPLY

Council Takes Steps at Last Night's Meeting to Provide for Enlargement.

There was a lengthy session of the Strathcona City Council last night, the members sitting till after eleven o'clock. The most important business of the evening was the decision to take steps to increase the water supply of the city by deepening the wells, etc., at the power house. The cost will be over \$1,000.

There were present the Mayor and Aldermen Rankin, Elliott and Crawford.

Communications.

The Alderman Rankin, of Calgary, by letter quoted prices on a car of cement at the rate of \$1.00 per barrel. Sacks were valued at 10 cents each, and under their return nine cents apiece would be a fair price. The letter was filed.

Robertson & Dickson, Edmonton, wrote asking that, proceeding against J. H. Herdendorf, for alleged contrivance of a city by-law to stay pending a reply to a communication they had sent to the town, J. H. Herdendorf, and Moore.

A letter from the Canadian General Electric Company inquired regarding a contract that was to be returned to the city, and the letter was turned over to the city engineer.

J. W. Tipton wrote asking that a firm be hired to take up the police court returns be returned. The finance committee will deal with the matter.

George A. Stimpson & Co. wrote asking for a return for \$25.00 of the heat for the city. The secretary-treasurer was instructed to return the money.

J. W. Lendrum asked that the lake to be drained of Strathcona Place be drained, as they were a nuisance and new within the city limits.

The matter was referred to the public works committee.

A lengthy letter from the mayor with reference to the C.P.R. crossings and grades in the city was laid on the table for later discussion.

Mr. Peterson & Miller, of Calgary, wrote asking for a return for \$25.00 of the heat for the city. The secretary-treasurer was instructed to return the money.

Another Troublesome Bill.

A bill from the Combs Hardware Company for over \$500, extending over the last half year, was also referred to the secretary-treasurer and this bill had stood for some time, as it could not all be checked. The trouble was that goods were being supplied without an order.

It was decided that all the items that had not been checked should be paid for, but the balance of the bill should be paid for by the city.

Reports of Committees.

The report called for a report from the police committee on the appointment of police magistrates. Alderman Elliott stated that he did not intend to make a further report than he had done before, but after some warm words between himself and the mayor the alderman submitted a written report similar to his previous verbal one, referring the question back to the committee.

Pease Economy Furnaces

It is a combination of all that is good in other furnaces, with many new and valuable improvements, having a large double feed door, heavy riveted steel dome, double fire pot, large ash pit, a fresh air blast to consume the gases, fitted with an anti-clinker grate made especially for burning Edmonton coal.

IN FACT IT IS A FURNACE IN A CLASS BY ITSELF.

Heating estimates cheerfully given. If you are thinking of building a house just drop us a line and our furnace man will call on you.

ROSS BROTHERS, Ltd.

Dealers in all kinds of Sheet Metal Work.

We carry a full line of Shelf and Heavy Hardware Wholesale and Retail.

This is the Furnace we have all been looking for.

GILLETTS PERPETUUM CAUTION

Like all good articles, which are extensively advertised, Gillett's Lye is frequently and very closely imitated. In some instances these imitators have copied our directions and other printed matter word for word.

Be wise, and refuse to purchase these imitation articles, which are never satisfactory.

Insist on Getting GILLETTS' LYE

and decline to accept anything that looks to be an imitation or that is represented to be "just as good." In our experience we have never known an imitation article that has been a success or been on the market any length of time.

LOCALS.

The infant child of Mr. Wm. Horton, of this city died last night and will be buried this afternoon at 2 o'clock.

Mrs. F. W. Scott, of 738 Kingston avenue, underwent a serious operation yesterday at the Public Hospital, and is doing very nicely.

Mr. Andrew Hakitt, of Ottawa, will tonight address a meeting, to which all nature lovers are invited, at 8.30 o'clock in Mackay avenue school.

The work of installing one light and power in the new isolation hospital has been completed. Carpenters are still at work upon the interior of the building.

A social, under the auspices of the Young People's Guild of the First Presbyterian Church, will be held on the lawn of the residence of Mrs. McIntosh, Third street and Athabasca avenue, on Friday evening of this week at 7.30 o'clock. An orchestra will be in attendance.

The municipal voters' list for this year is being compiled now, and Assessor McMillan notifies the public that as married women with property cannot vote, they must, according to Edmonton's charter, notify the assessor in writing as to the intention of their husbands to exercise the right to vote upon the property held by such married women.

Rev. Father A. Lemarchand, of St. Anne's, is to thank their friends who have extended sympathy to them in their recent affliction, and in particular to those good friends who came in such numbers to the funeral service that was given last Friday at St. Joseph's church in memory of their beloved mother, Madame Lemarchand, who died safely at Noyon, France.

The meeting of the city branch of the Canadian Bible Society, auxiliary to the British and Foreign Bible Society, which is to be held in the new light Church, this evening, and in which the Methodist, Presbyterian and Baptist churches of the city have agreed to unite, should be largely attended. The Rev. Joseph McMillan, permanent secretary of the Upper Canada Bible Society, Toronto, Ontario, who is the principal speaker, announced for the evening, arrives in the city today.

The St. Basil's carnival to be given on the old baseball grounds under the auspices of the Elk club, Aug. 20 to 21, is by no means an intellectual amusement, but in this age of rush and hurry of business when everyone has to be in the street, it is a good thing to have a place to go to and be fresh all the better for it. By this it is not to be inferred that there is nothing instructive in the carnival, for there are two shows which are decidedly instructive. These are the baby incubator and the glass blowing exhibitions. In the baby incubator are two tiny babies with two white cloth nurses dancing attendance on them, and a young doctor goes about to instruct the public in the care of babies.

The exhibition of glass blowing is well worth a visit. The show is decidedly instructive, as glass is blown in exactly the same way that it is blown in at all the glass factories in the country.

BITTEN BY DOG.

Last evening little Violet Gould, aged 4 years, niece of Mrs. W. B. C. Humbert, of Strathcona, met with a very serious accident. The little one was walking along the street near her home, when she was attacked by a large dog and badly bitten on the leg. The child was at once removed to the Public Hospital, where her wounds were attended.

BUILDING PERMITS.

At the office of the building inspector, on morning permits were taken out for the following structures:

Sisters of Charity, Victoria, home, \$4,000.
M. Jackson, Fifth, dwelling \$1,000.
T. G. Hutchings, Isabella, dwelling, \$500.
Fred Root, Fraser, dwelling, \$200.
Wm. West, Government, porch, \$500.
Rev. J. A. Moir, Green, stable, \$500.
A. Hager, Third, stable, \$500.

BAND CONCERT.

The C. M. B. band concert last night on the green opposite the high school attracted the best crowd of the season, and was a very attractive program of half dozen numbers was rendered as follows:

1. March—Montreal.
2. Overture—Minuet.
3. Waltz—Bluebell.
4. Serenade—Shades of Night.
5. March—Major Oliver.
6. Waltz—Loverland.
7. God Save the King.

All the numbers were well rendered, the Minuet overture and Loverland waltz being particularly well received. There will be another concert at the same place on Tuesday evening next. Bandmaster Clark has about completed the program for the second concert at the Thistle Club on Sunday evening. Among those who will assist will be Mr. Hall, the regular soloist at the organ, and Mr. W. Green, who will contribute a euphonium solo.

SURVEY OF EMBANKMENTS.

Genl. Mallard, resident engineer at Calgary for the department of public works, is in the city under instructions from the department to make a survey and report upon the river embankments within the city limits. Engineer Mallard has already commenced the instrumental work. He will make a survey of the embankments from a point west of the bridge below Fraser's mill. Upon this report the department of public works will decide what action will be taken to prevent the banks from sliding.

TO FIX TARIFF FOR CITY CABS

By-law Imposing License Fees and Making Tariff for use in City.

The new bylaw with reference to the licensing and fixing of a tariff for hacks, cabs, and other vehicles used in the city has been prepared and will likely be submitted at next meeting of the council.

The bylaw provides that every person owning, using, hiring, cab, automobile or other vehicle for the carriage of passengers for a money charge, shall pay a license fee of \$15 per year for each such vehicle, plus \$5 per year for every other carriage carrying more than five grown persons, and \$5 per year for every vehicle carrying less than five grown persons. This, however, will not apply to vehicles used only on public, Dominion, Provincial or Civic holidays or on the days of the annual fair.

The following are the rates specified to be charged by all licensed vehicles:

From any one point to another by vehicle between the C. P. R. station, Strathcona, on the south, the C. N. R. station, Edmonton, on the north, and the C. N. R. M. P. barracks, Edmonton, on the east.
